**[Dealer Name] Lends a Hand to St. Jude Dream Home® Giveaway Supporting St. Jude Children’s Research Hospital**

***Local Dealer Provides Installation of Heating and Air Conditioning System Donated by Trane for [City] St. Jude Dream Home to Help St. Jude Children’s Research Hospital Find Cures and Save Lives.***

**CITY, STATE DATE, 2014** — Local heating and air conditioning dealer, [Dealer Name], announced today a commitment to provide the service of installing heating and cooling products from Trane in the 2014 St. Jude Dream Home in [City]. The donation will be made as part of a national partnership with St. Jude Children’s Research Hospital and Trane, a leading global provider of reliable, energy-efficient home comfort solutions and services and a brand of Ingersoll Rand (NYSE:IR).

The [City] St. Jude Dream Home is one of almost 30 custom-built homes that will be given away throughout the year through local raffle drawings. The funds raised from the St. Jude Dream Home Giveaway, one of the largest single-event fundraising efforts for St. Jude, will help support the hospital’s mission of finding cures and saving lives of kids battling cancer and other life threatening childhood diseases.

“We are thrilled to be part of the St. Jude Dream Home project in [City] to ensure it’s well equipped with reliable, energy-efficient heating and cooling products from Trane,” said [Dealer name, Dealer]. “It’s an honor to help support St. Jude Children’s Research Hospital’s important mission of finding cures and saving children’s lives.”

[Dealer name] has supplied the [City] St. Jude Dream Home with a connected control and energy-efficient [specific product name/product benefit and features here].

Each year, approximately 30 St. Jude Dream Homes, valued between \$300,000 and \$700,000, are built in cities across the country in partnership with local home builders and businesses using mostly donated materials, supplies and labor. When complete, the homes are opened to the public for tours and given away through the sale of \$100 raffle tickets.

Established more than two decades ago, the St. Jude Dream Home Giveaway program has built and given away more than 340 homes and raised more than \$270 million for St. Jude Children’s Research Hospital.

### **About St. Jude Children’s Research Hospital®**

St. Jude Children’s Research Hospital is leading the way the world understands, treats and defeats childhood cancer and other deadly diseases. St. Jude has the world’s best survival rates for the most aggressive childhood cancers, and treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20 percent to 80 percent since we opened more than 50 years ago. St. Jude is working to drive the overall survival rate for childhood cancer to 90 percent in the next decade. St. Jude freely shares the breakthroughs we make, and every child saved at St. Jude means doctors and scientists worldwide can use that knowledge to save thousands more children. Families never receive a bill from Jude for treatment, travel, housing or food – because all a family should worry about is helping their child live.
